Dear Cobblestone Energy,

I am writing to express my interest in the Job opportunity for a MERN stack developer at your company. I am excited about the opportunity to work on projects utilizing MongoDB, Express.js, React, and Node.js.

Currently i have completed **Bachelor in Information Technology(BIT)** and have been working on several projects that have helped me gain a strong understanding of web development concepts. I am particularly interested in the MERN stack and have been honing my skills in MongoDB, Express.js, React, and Node.js through various online tutorials and personal projects.

I am confident that my skills and experience make me a strong candidate for this job.

I am excited about the opportunity to work alongside an experienced development team and to learn from the best. I am confident that this job will provide me with the opportunity to grow my skills in a real-world setting and to make valuable contributions to your projects.

I have attached my resume for your review. I would appreciate the opportunity to speak with you further about how I can contribute to your company.

Thank you for your time and consideration.

Best regards,

Sunil B.K
